

# 2nd Annual Poster Competition

## 2<sup>nd</sup> Annual Poster Competition Konkurs-2007

All presentations submitted to the Atlas of Clinical Medicine at [www.medico.ru](http://www.medico.ru) between August 16<sup>th</sup>, 2006 and June 30<sup>th</sup>, 2007 were considered for this year's competition. We have now established the annual cycle and schedule for future competitions.

Submitted presentations were divided into the following categories:

**Surgery** (including obstetrics and gynecology);

**Pediatrics** (including neonatology and pediatric surgery);

**General Medicine** (including cardiology, cardiac surgery, neurology, radiology, and pathology);

**Teaching Presentations**

Presentations were reviewed by the International Award Committee:

Dr. Alla Gordina (USA), Chair

### **RAMA/RADA**

Dr. Nikolay Vasilyev (USA)

Dr. Boris Vinogradsky (USA)

### **MediCo.ru**

Dr. Victor Dovgan (Russia)

Dr. Mikhail Nabatov (Ukraine)

A special award was reserved for a physician whose submissions were nominated by the most members of the Committee.

Winners of the Konkurs-2007 competition are:

### **Special Award, Konkurs-2007**

Dr. Vyacheslav Ryndin (South Africa)
